

PHYSICAL EDUCATION (PE) COURSES

PE-011 Advanced Fitness

This course is designed to promote individual participation in strength training and conditioning activities that will maintain or increase personal levels of muscular strength, power, agility and endurance. The instructor will work with the students to develop a sound strength-training regimen, while teach and monitoring the students lifting techniques to maximize the efficiency of the workouts and to help ensure the safety of the students. This course will be for those students who are looking to take their overall fitness to a higher level over the 6 week period. This is a voluntary course in which you will be given credit or no credit at the end of semester. PE courses are taken in addition to the 34 course credits required for graduation. Grades assigned only on a credit/no credit basis and do not compute in the student's GPA; however, this information is listed on transcripts. These courses may be added to a student's normal load without special permission.
